

Benefits of OptiMag Fines

- Excellent source of magnesium and calcium.
- OptiMag magnesium source is 100% bioavailable for maximum value
- Provides consideration for magnesium oxide and sodium bicarbonate reduction
- Supports overall pH management in the rumen and may prevent acidosis
- Consistently digestible source of magnesium and calcium
- DCAD neutral, safe for use in dry cows
- Concentrated source of calcium and magnesium helps create space in rations
- Provides opportunity for up to 20% reduction in ration cost
- Palatable product provides better acceptance in rations
- Produced in Wisconsin
- Produced in a Safe Feed/Safe Food certified facility

Guaranteed Analysis

Calcium (Ca)	Minimum 20.0%
Calcium (Ca)	Maximum 24.0%
Magnesium (Mg)	Minimum 12.0%

Ingredients: Calcium Magnesium Carbonate

Moisture Content: < 1.0%

Compact Bulk Density: 79 lbs/cubic foot

Loose Bulk Density: 59 lbs/cubic foot

This feed was produced in a facility certified in the American Feed Industry Association's Safe Feed/Safe Food Certification Program.
